You are not being sued.**

A Settlement has been reached in a class action lawsuit against DIRECTV claiming that Telecel Marketing Solutions Inc. ("Telecel") made certain telemarketing calls advertising DIRECTV's services to individuals who they did not have consent to call or who were on the national do-not-call list. DIRECTV denies any liability or wrongdoing of any kind, and the parties have reached a Settlement of these claims to avoid the time and cost of further litigation.

You are receiving this notice because records show that you may be part of this lawsuit.

Who's Included? The Settlement covers two classes, the National Do Not Call ("NDNC") Class and the Internal Do Not Call ("IDNC") Settlement Class.

The NDNC Class consists of:

All persons residing within the United States whose telephone numbers were on the National Do Not Call Registry, but who received more than one telephone call between October 27, 2011 and March 3, 2016, from Telecel for the purpose of selling or attempting to sell DIRECTV's goods and/or services.

The IDNC Settlement Class consists of:

All persons residing within the United States who received a telephone call between October 27, 2011 and March 3, 2016 from Telecel on behalf of DIRECTV for the purpose of selling or encouraging the sale of DIRECTV's goods and/or services, who asked Telecel to stop making such calls to them, and who nevertheless received more than one such call from Telecel after asking not to be called again.

What Are the Settlement Terms? DIRECTV has agreed to create a common fund of four hundred and forty thousand dollars (\$440,000) to settle all the claims of class members, pay the costs of administration of the settlement, and pay attorneys' fees, expenses, and any incentive award to the Class Representative (if allowed by law) as approved by the Court.

How Can You Get a Payment? You must make a claim by **May 6, 2024** to receive payment. Each Settlement Class Member who makes a valid claim will receive a pro-rated share of the Settlement Fund. Individuals who are members of both the NDNC Class and the INDC Settlement Class are eligible to receive only a single share of the Settlement Fund. An NDNC Class Member or IDNC Settlement Class Member who received a qualifying number of calls from Telecel on more than one phone number will also be entitled to only a single recovery.

You can make a claim by either 1) mailing a completed Claim Form to the Settlement Administrator; or 2) submitting a Claim Form online at www.directvtcpaclassaction.com. **Your claim must be postmarked or submitted online by May 6, 2024.**

Your Other Options. Members of the INDC Settlement Class: You will be legally bound by the Settlement, whether or not you submit a claim form, unless you exclude yourself from the Settlement Class by **April 5, 2024**. If you exclude yourself, you get no payment from the Settlement, but you will reserve all rights to proceed individually against DIRECTV.

Members of the NDNC Class: You previously received notice in 2018 and an opportunity to opt-out when that class was certified. If you are a member of the NDNC Class, then you have previously agreed to be bound by the result of this lawsuit and there is no further opportunity for you to opt-out.

Members of either class may object to the Settlement by **April 5, 2024**. The Settlement Website (www.directvtcpaclassaction.com) explains how to exclude yourself or how to object. The Court will hold a Final Approval Hearing on **May 17, 2024** to consider whether to approve the Settlement and a request for attorneys' fees of up to one-third of the total settlement fund of \$440,000. You may appear at the hearing, either yourself or through an attorney hired by you, but you do not have to appear at the hearing.

The capitalized terms used in this Notice are defined in the Settlement Agreement, which is available on the Settlement Website (www.directvtcpaclassaction.com).
